**M**mmm, the color red makes me so horny," purrs all-natural brunette spitfire **Belle Noir**. "That's why I wear it all the time," she winks as she peels away the top of her itty-bitsy crimson bikini to let her fat, juicy jugs swing free. She unties the bows at her hips and pulls her bottoms off slowly from behind, using the stings to floss her vertical smile. "I don't think there's anything in the world that screams "FUCK ME" louder than a pair of red patent leather pumps, do you?" She lies back to prove her point, thrusting her stilettoed feet high into the air while plunging her fingers deep into the warm wetness of her fun hole. "Ever been left with lipstick stains on your cock after a killer BJ? I like to leave a bright red ring around the shaft, right down near the balls. It's kind my thing. I guess you could call it a signature of sorts." Belle giggles and purses her lips, making a soft sucking noise with her tongue.

# DESTINY JAYMES SEX REVENGER

Photos & Article by Jeff Hubris

34084

**DIRECTOR: JIM POWERS STUDIO: REALITY GANG**  
**STARRING: DESTINY JAYMES, JAMES DEEN WEBSITE: REALITYGANG.COM**

**O**ut in the arid badlands east of Los Angeles, there is a ranch style house on a hill where porn can be shot unencumbered by interruptions from the porn police. As in the old West, the movement of any potential interlopers can be viewed first hand across the barren waste and prepared for long before the attack. The necessity of employing porn hooliganism—the hit and run style of outdoor shooting pioneered by Hall of Fame director Jim

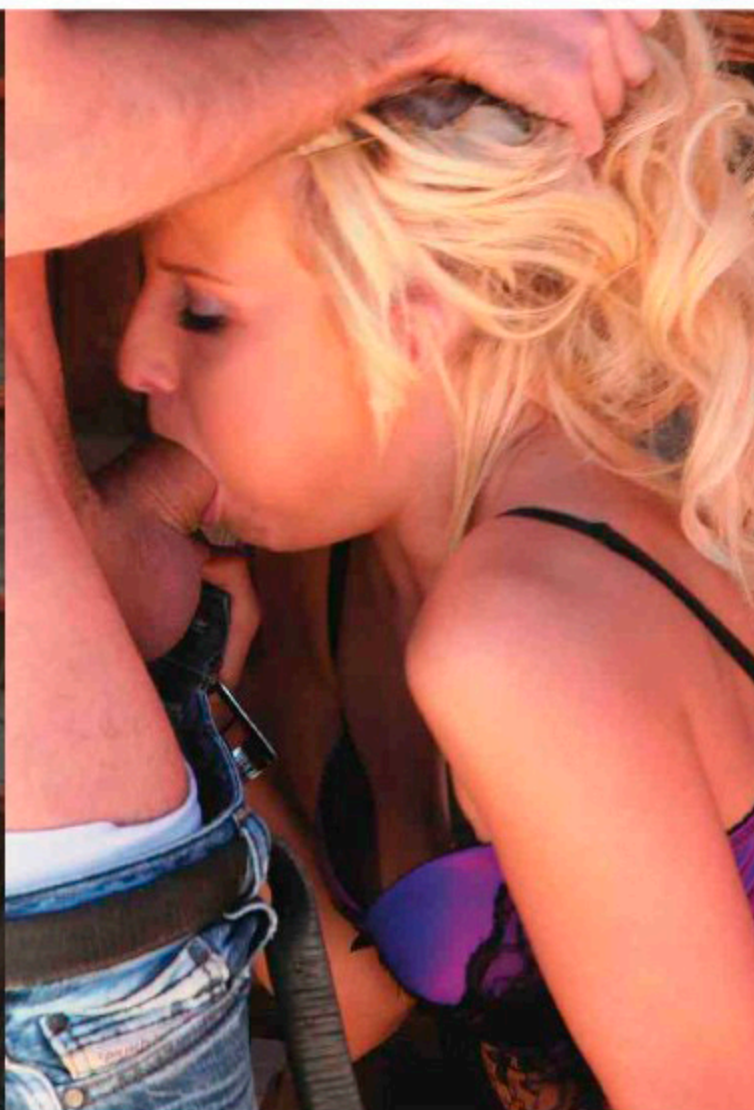

Powers, where set up scenes are quickly shot on some urban real estate of choice before the authorities can be notified—is nicely off the table. The bed of a pickup truck parked in a large wooden garage structure will act as the fucking platform for blonde sex freak Destiny Jaymes and AVN Best Male Performer and hipster porn-crossover star James Deen.

With Destiny Jaymes in the makeup chair the genesis of the scenario nearly

formulates itself. She's playing a jealous porn girl checking up on her boyfriend.

"She's going to be on the phone texting and calling," Powers says half laughing. "Her boyfriend is fighting with her and she gets him on the phone. She's suspicious. 'What are you doing? Who are you hanging out with?' What? You're going to the movies? With who?"

So the boyfriend is off with another

slut, she's pissed and will get back at her boyfriend by doing her job! 110% porn plot perfection!

"I've actually seen this happen in reality many a time," Powers explains. "The male porno actor actually shows up on a set before he does his scene and finds whatever girl is outside and pulls his dick out and has the opportunity because she's pissed at her boyfriend. He's like here, send your boyfriend this message!"

It's hot as blazes and the back of the pickup is strategically placed, facing the outside for lighting purposes. Destiny Jaymes will be sending shots and selfies of her blowing and fucking James Deen throughout the scene to her "cheating" boyfriend. Powers rolls video of her blowing James Deen who takes POV shots of the proceedings with her phone. Deen nails her in standing doggie up on a stairway and then up against the bed of the pickup truck. She makes a call on her cell phone.

"You know who's fucking me right now?" she yells, "James Deen! And he's got a much bigger cock than you! This is too good! Bye!"

She swings one leg up onto his shoulder without losing insertion.

"Hey baby don't do that, you might lose your balance!" Deen warns.

"Hey I'm okay," she answers. "I've done a lot more porno than you have!"

The fuck continues in open spoon on a sleeping bag that has been spread open on the pickup bed. They transition to reverse cowgirl and Deen finally removes his jeans that have been bunched around his ankles throughout. They rip through cowgirl, doggie, more reverse and a few more BJs, then Destiny Jaymes takes Deen's expertly delivered cumblast in the face. Powers shoots her taking a few more selfies, showing off the dripping facial while saying "Fuck you asshole" to send to BF. Acrid revenge porn art at it's finest.

I ask Destiny Jaymes about the qual-

ity of her fuck experience with James Deen.

"Oh my god," she replies immediately. "Intense! It was good. He was hot as fuck and his dick felt wonderful, and the way he was fucking me was exactly the way I like it in my personal life, so I forgot the camera was even there, my whole body was shaking as I was cumming on his cock. I definitely got off for today!"

Several times during the fuck James Deen remarked about her ability to clamp down, so I inquire further as to the personality and performance habits of her utilitarian love tube.

"It's nice and tight," she says proudly. "I love my pussy. You know how some people have all their shit hanging out, and I think to myself, I don't know if I can lick that! But I got blessed with a little slit and it's all nice and neat. I have a tight pussy, and I do kegel exercises to keep it tight, so he was feeling it. That's always fun, wrap it around and give it a tight squeeze!"

## DESTINY JAYMES Q&A

**HIGH SOCIETY:** *Where are you from?*

**Destiny Jaymes:** I was born in New Jersey, then moved to Ohio, and then Atlanta and Miami and that's how I stumbled upon porn and now I'm here, and this is my new home.

*You stumbled upon porn in Miami?*

Yes. Bang Brothers.

*Were you wild in high school?*

Dude. Definitely, I went to five different schools, so it didn't matter, because I'd get a bad reputation and then go to a different school, because I'd move or get kicked out of the house.

*So tell me what gets you off sexually?*

I love to be choked, I like it when it's really rough and intense and passionate and BAM! That's what I like.

*How did you get into rough sex? What is your deal?*

I don't like slow sex. Occasionally maybe, but it feels more like making love. I just like to fuck, hardcore. I just love things that are a rush, intense, like when my whole body starts shaking and they cum, and it's like, BAM! I've kind of always had a little problem with drugs, so it's like that. Go hard or go home!

*So sex is like a drug rush for you!*

Yeah, give me more! I want more! Put that cock back in me!

*Have you ever been in love?*

No.

*You are 21 years old and you've never been in love?*

I went to five different high schools and I would skank around. I went to college for a year and I did the same thing. I had a boyfriend for like one year but I never really loved him because I cheated on him like 10 times and he kept taking me back. I just like to fuck.

*How do you get yourself off?*

Hitachi! Yes, plugged in there right by my bed! Actually I can get myself off multiple times a day, and it doesn't take long either, but I would definitely choose having sex over that. I'm also I'm bisexual, so I got a girl.

*Tell me about that. Girls.*

Yeah, I love girls. I love pussy. I like cock better but I have threesomes with my friends all the time...foursomes, orgies, I'm down for anything.

*How about anal?*

Okay, now that's a hard thing. I do anal in my personal life, but I'm not ready to take it to the screen yet. I'm holding out, just for a little while longer. My agent tells me that he already has ten people who want me for anal, 'cause of my ass, and you do have to work your ASSets, and all I have is my ass, but I just feel like I'm not completely ready. And when I am I'll go hard, but until then, I don't want to half-ass it, no pun intended!

*So if you're looking for the rush, you must love DPs, right?*

DPs? No, I don't do DPs. I never have, not even in real life. I don't know, I guess that's got to be on my Bucket List. I've got a crazy Bucket List!

*What else is on that list?*

The normal stuff, sex on the beach, and I need to join the Mile High Club. Also fucking outdoors, I love fucking in public places. I had sex once going 80 miles an hour down highway 575 in Atlanta. I had two pals in the back seat, fucking my boyfriend!

*So you said your parents know you're doing porn?*

Yeah, my mom found out—well, I told my mom myself, but everybody else found out about it because my first five scenes were with the Bang Brothers. I was living in a halfway house in Boca Raton, and somebody told me about the Bang Bros, and I was like, You get \$900 dollars in one day? So I went in and I got to wear my clothes and just got eaten out, and made \$900 bucks—what? After that the Bang Bros took me out of the halfway house and put me up in a hotel. I did five scenes for them and then flew out here. And I've been here for three months now.

*Tell me about your plans for porn.*

Honestly? I don't really know right now, I'm just having fun. I love the money, finally I'm moving up in the world, I've got a car and an apartment, and things are getting better in my life. So I guess for right now I feel like I'm going to do porn for a couple of years, and then eventually I'd like to go to cosmetology school so I can work on movie sets, maybe in porn, because I've always wanted to do hair. When I get old and saggy, then I'll move on to the hair!

*What kinds of non-porn things do you like to do?*

I love laying out, I love going shopping, I love hanging out with my friends, I work out, and working in front of my webcam...actually I do all five components of the porn thing, I do bachelor parties on the weekends, and then I do porn and webcam and...I can't even think, I just got fucked so hard that my brain is dead!

# THE WOMEN OF GAME OF THRONES

BY RAMSEY STEELE

Now in the middle of its fourth season, the HBO series *Game of Thrones* continues to dominate the cable television universe. Based on the series of fantasy novels by George R. R. Martin about a bleak, feudal world known as Westeros that's filled with all manner of immorality, violence and sexuality, the series, which airs on Sunday nights, averages more than 14 million viewers and has become HBO's most watched series since *The Sopranos*. Not to mention that it's broadcast in more than 150 countries and is the most pirated TV show in the world. There are a zillion theories as to why *Game of Thrones* has become such a sensation, but we here at HIGH SOCIETY can definitively tell you that it's all about *THE WOMEN* and their none-too-shy enthusiasm when it comes to on-screen nudity and sex. Check out this pictorial featuring our eight favorite *Game of Thrones* gals and you can thank us later!

## ESME BIANCO

ROS

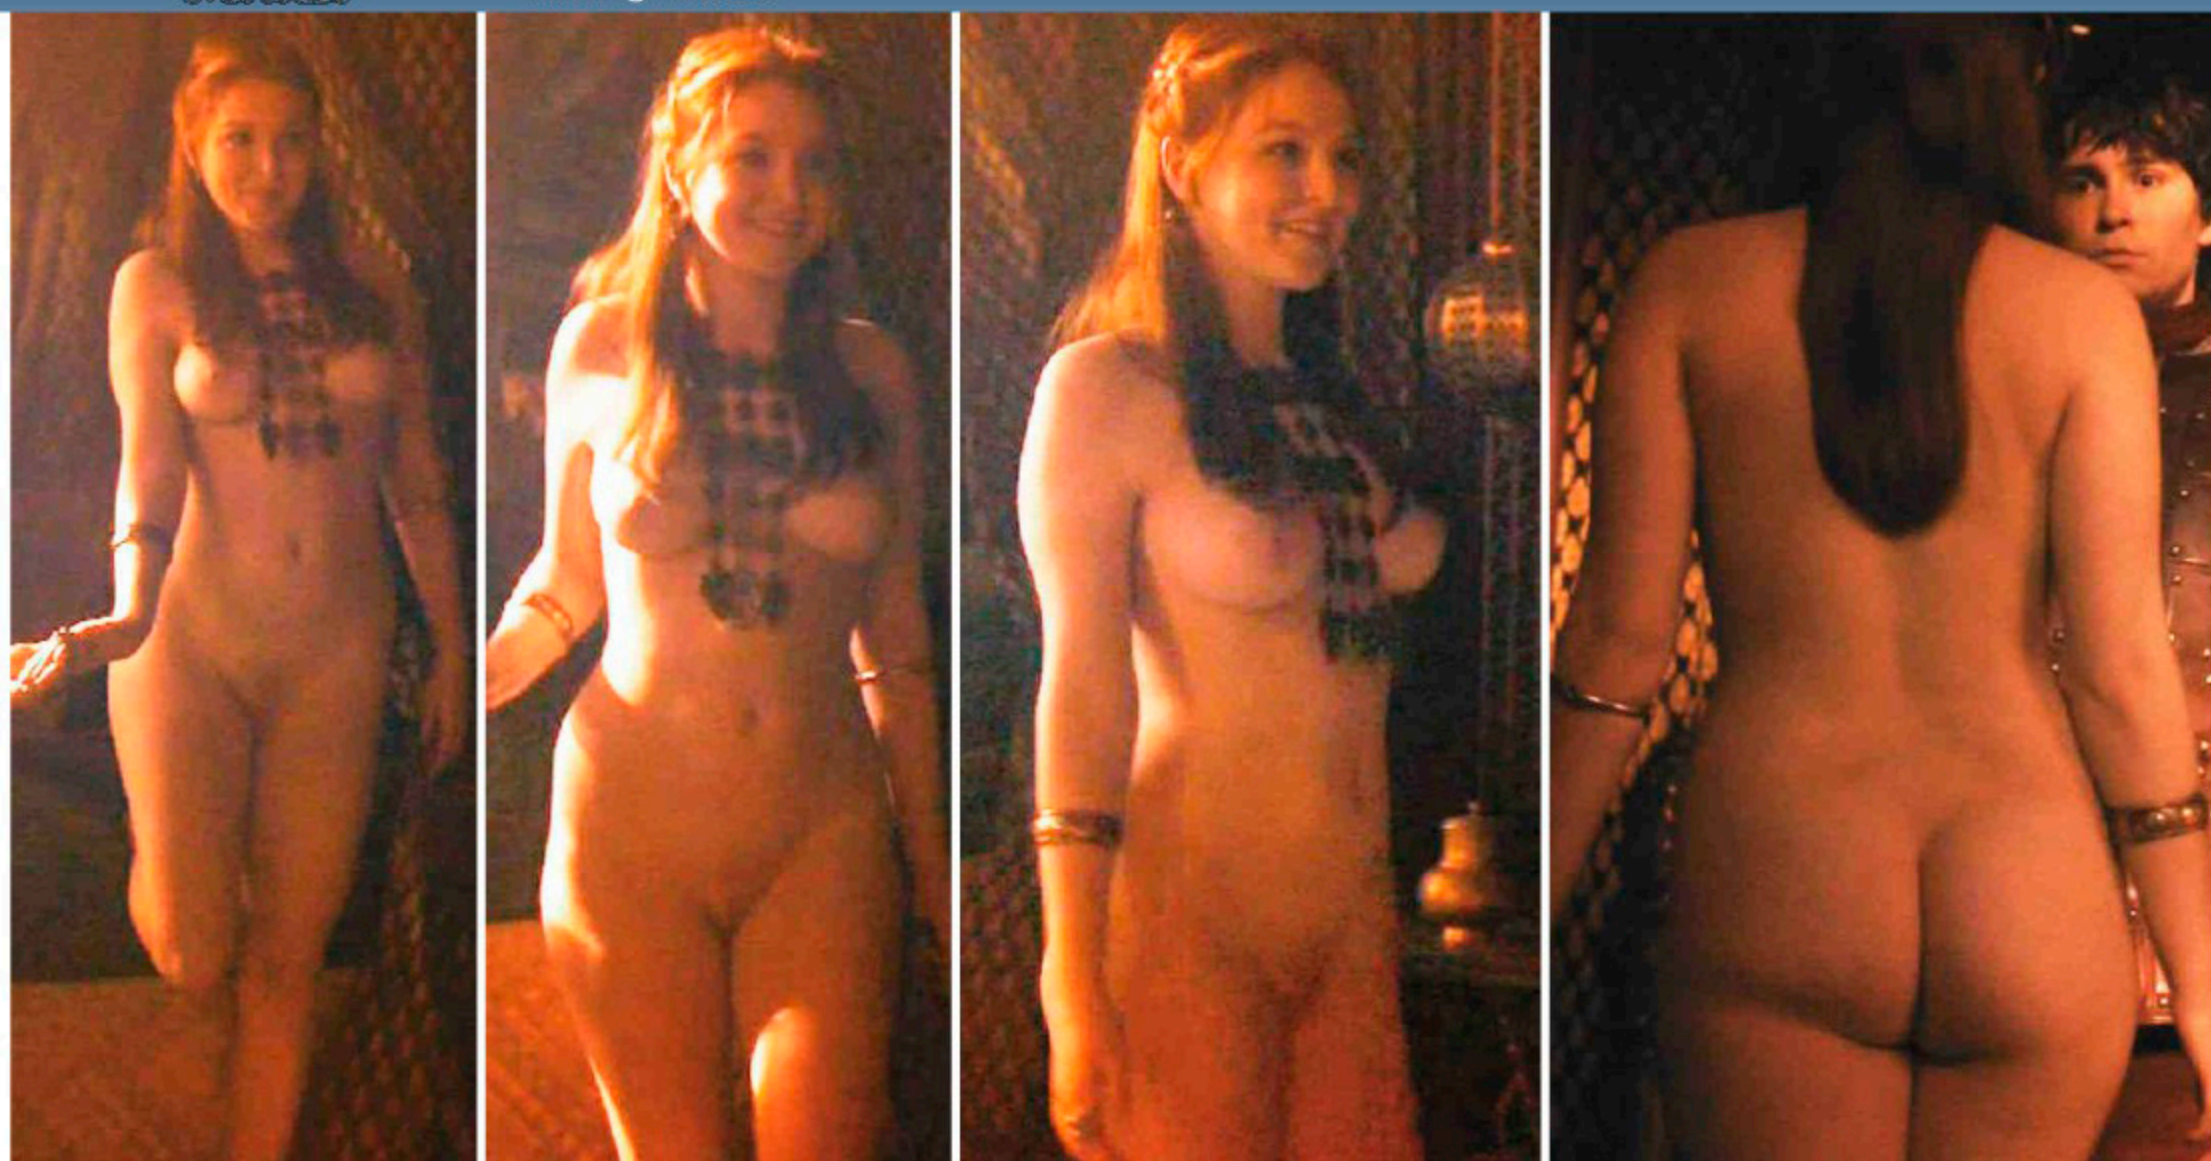

Along with Daenerys, estimable Esme essays our other favorite female character on *Game of Thrones*: the crimson-tressed Ros, a prostitute from the provinces who ultimately makes her move to Westeros' capital, King's Landing. Interestingly, the character of Ros does not appear in the original George R.R. Martin novels and hers is the first character created specifically for the HBO show. That ain't a surprise—just check her out!

## JOSEPHINE GILLAN

MAREI

Yet another King's Landing prostitute, Marei is instructed in her trade by Ros, who's keen on teaching her how to act aroused when entertaining a client. By the end of Season Three, Marei has become quite accomplished in her trade, even going so far as to taking the lead in an orgy attended by a group of visiting nobles!

# EMILIA CLARKE

## DAENERYS TARGARYEN

A relative newbie to show business, English actress Emilia essentially launched her career with *Game of Thrones*, where she happily offered all three B's—boobs, butt and bush—in the role of Daenerys, Mother of Dragons. It's hard to believe that prior to *Game*, Emilia's only real gig was in the 2010 SyFy movie *Triassic Attack*. What's even harder to believe is that before *Game*, we used to jack off to *The Lord of the Rings*!

# CARICE VAN HOUTEN

## MELISANDRE OF ASSHAI

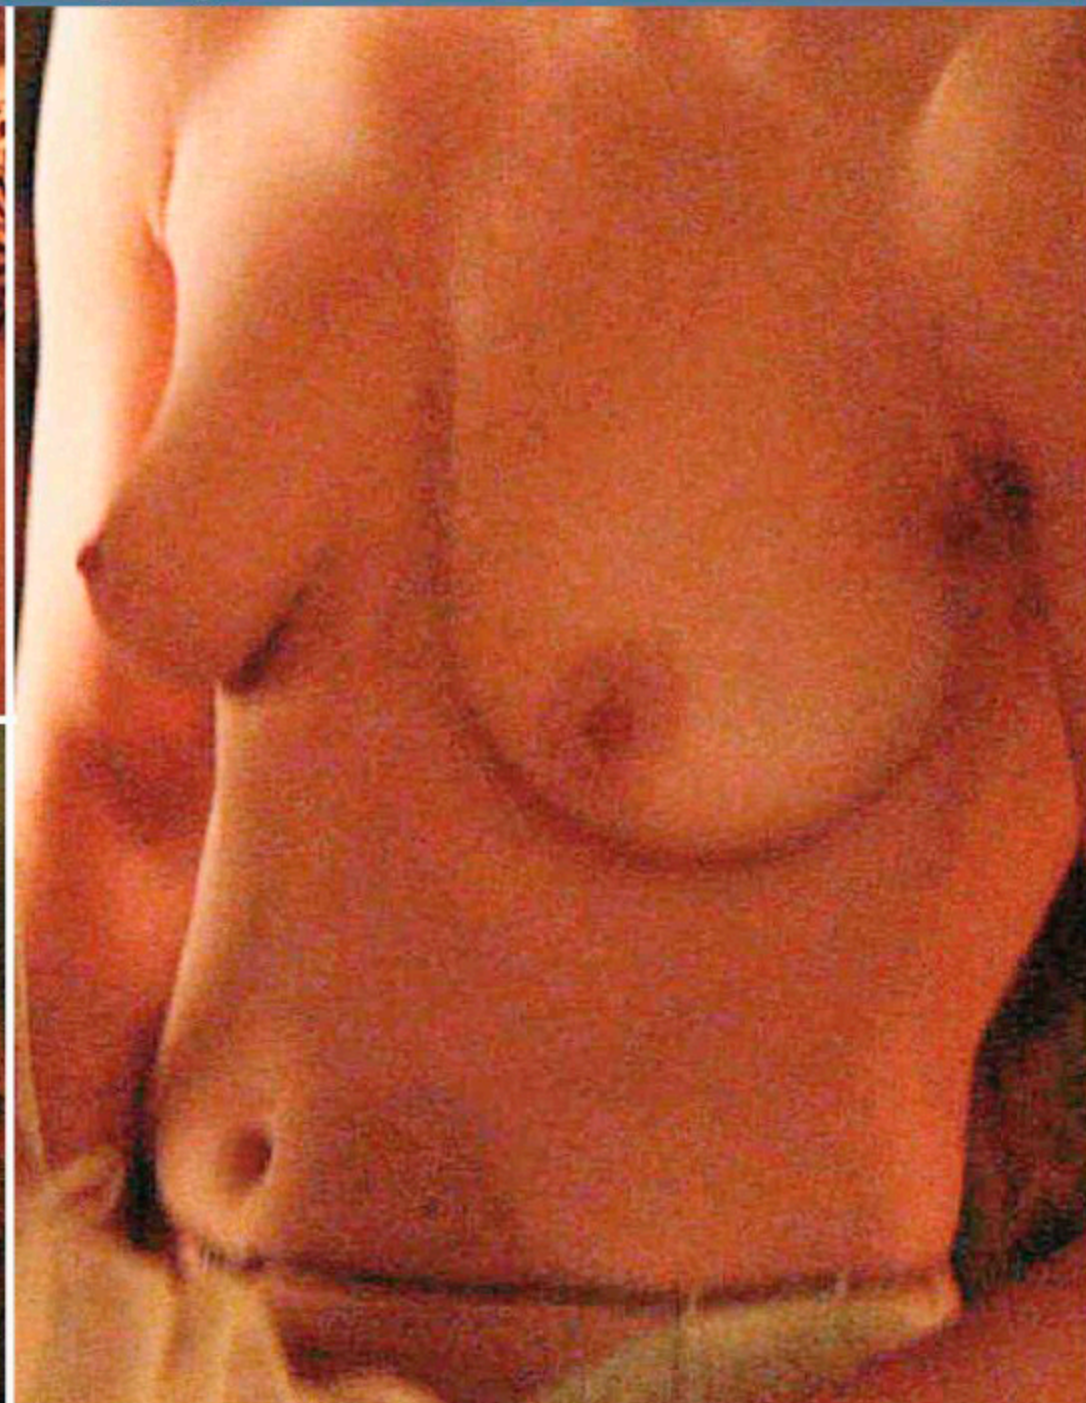

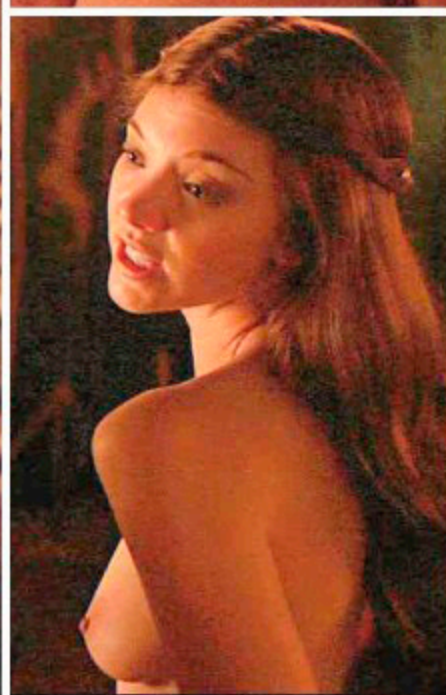

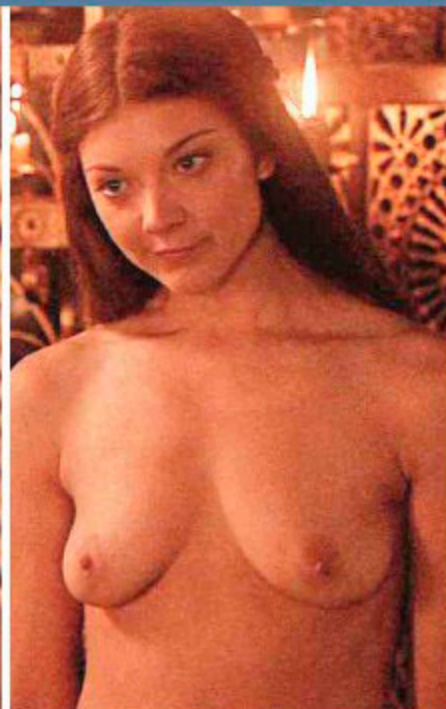

A major character introduced in the premiere episode of *Game*'s second season, magnificent Melisandre is an Eastern priestess, a close advisor to wannabe king Stannis Baratheon, and a follower of the Lord of Light, a deity that is not widely worshipped in Westeros. Translation: She's a wild, witchy woman who ain't beyond shedding her skivvies and casting a few spells in order to elevate her man to the throne!

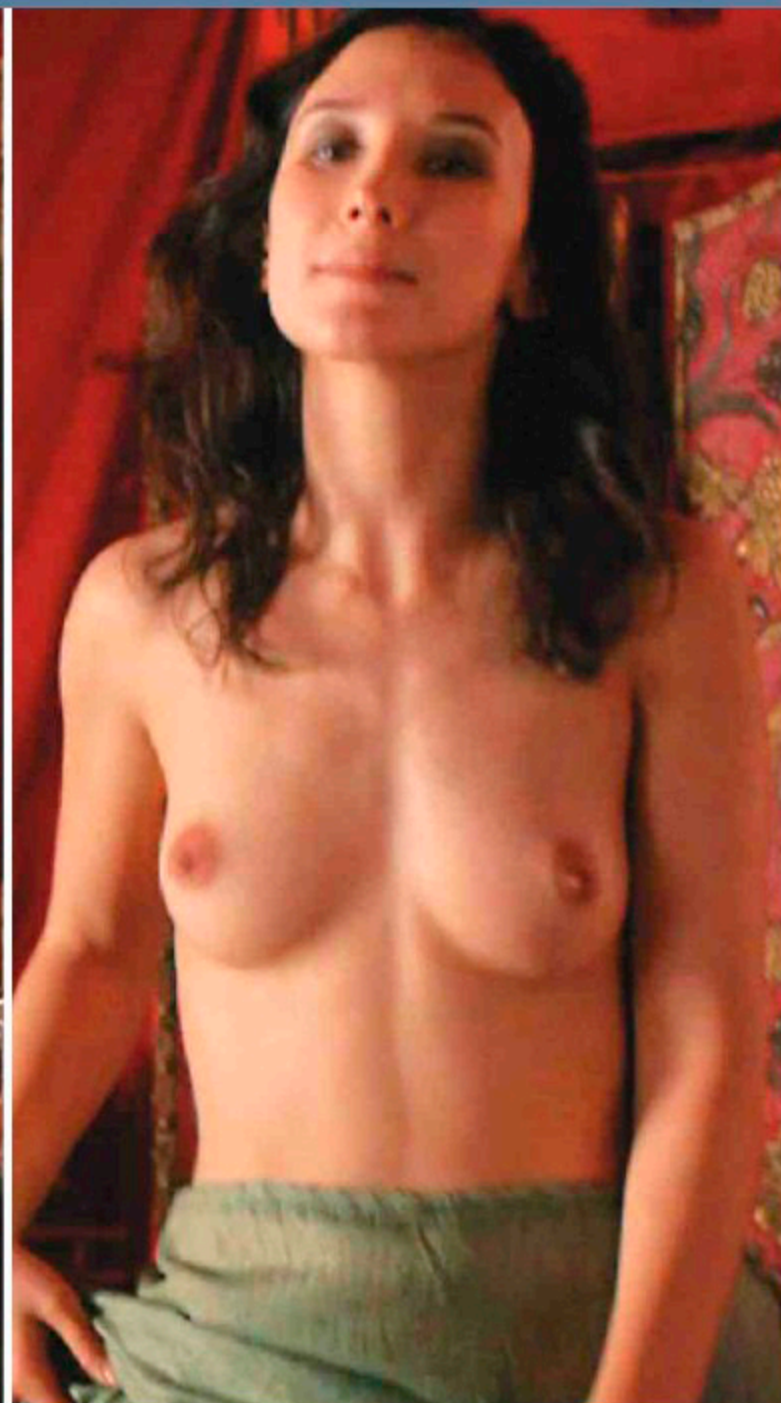

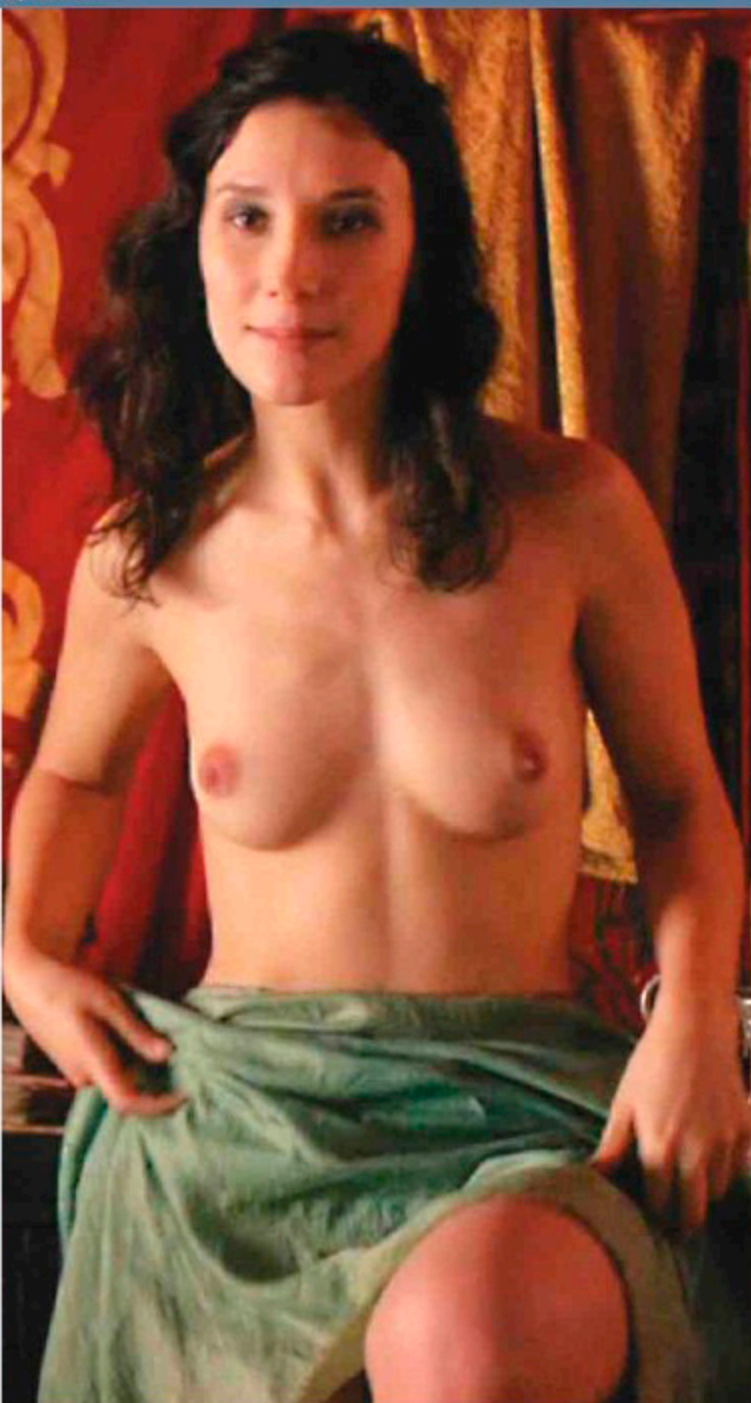

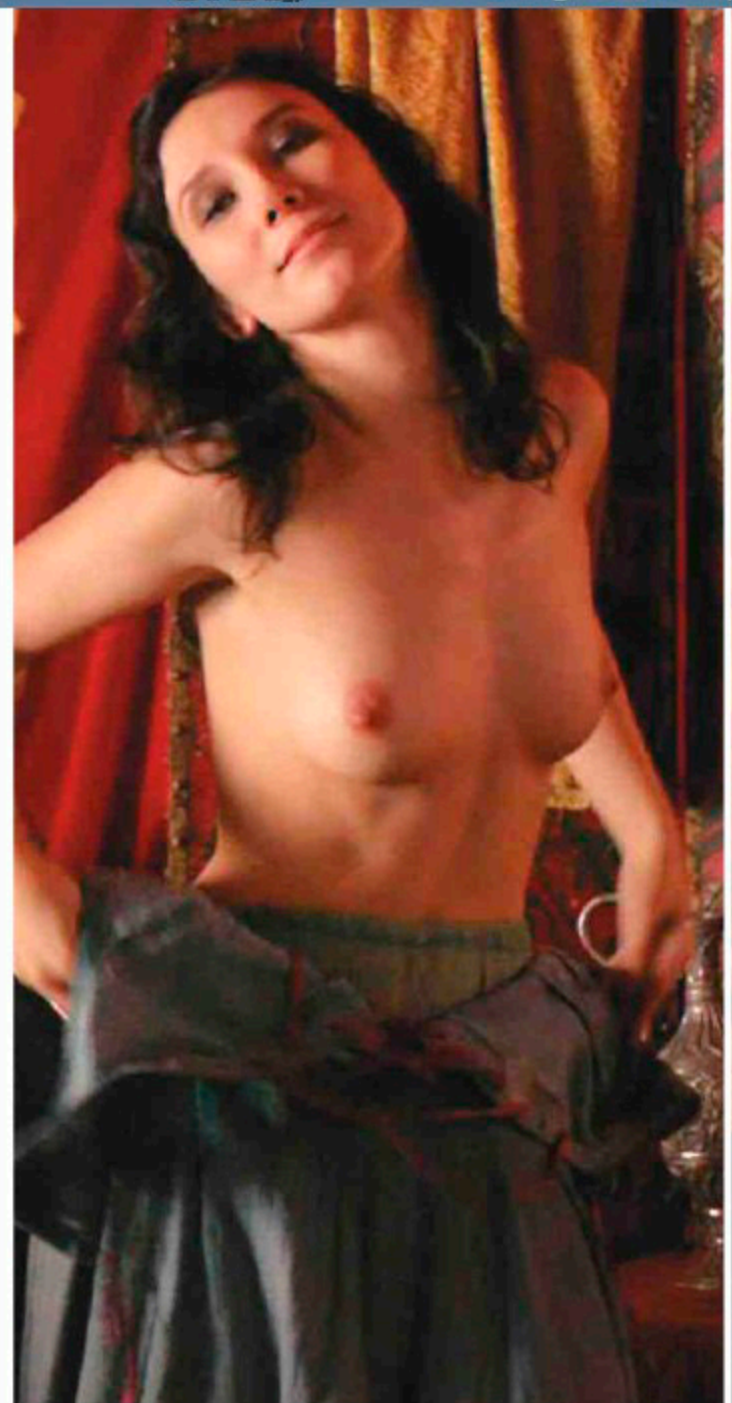

**NATALIE DORMER**  
**MARGAERY TYRELL**

As portrayed by naughty Natalie, she of the sexy sideways smile, Margaery Tyrell is known for her beauty, political cunning, and ambition, although she has a compassionate side. All of these qualities come into play as she angles to become the Queen of Westeros—a desire that is regularly squelched because all the claimants to the throne she marries keep on getting murdered!

**SIBEL KIKELLI**  
**SHAE**

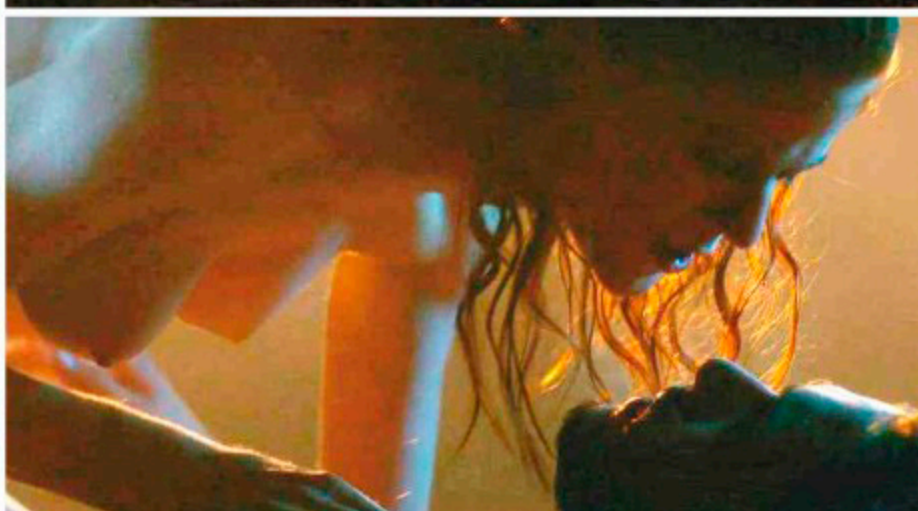

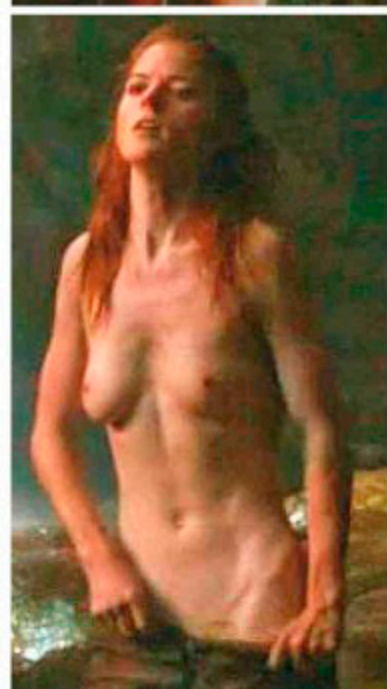

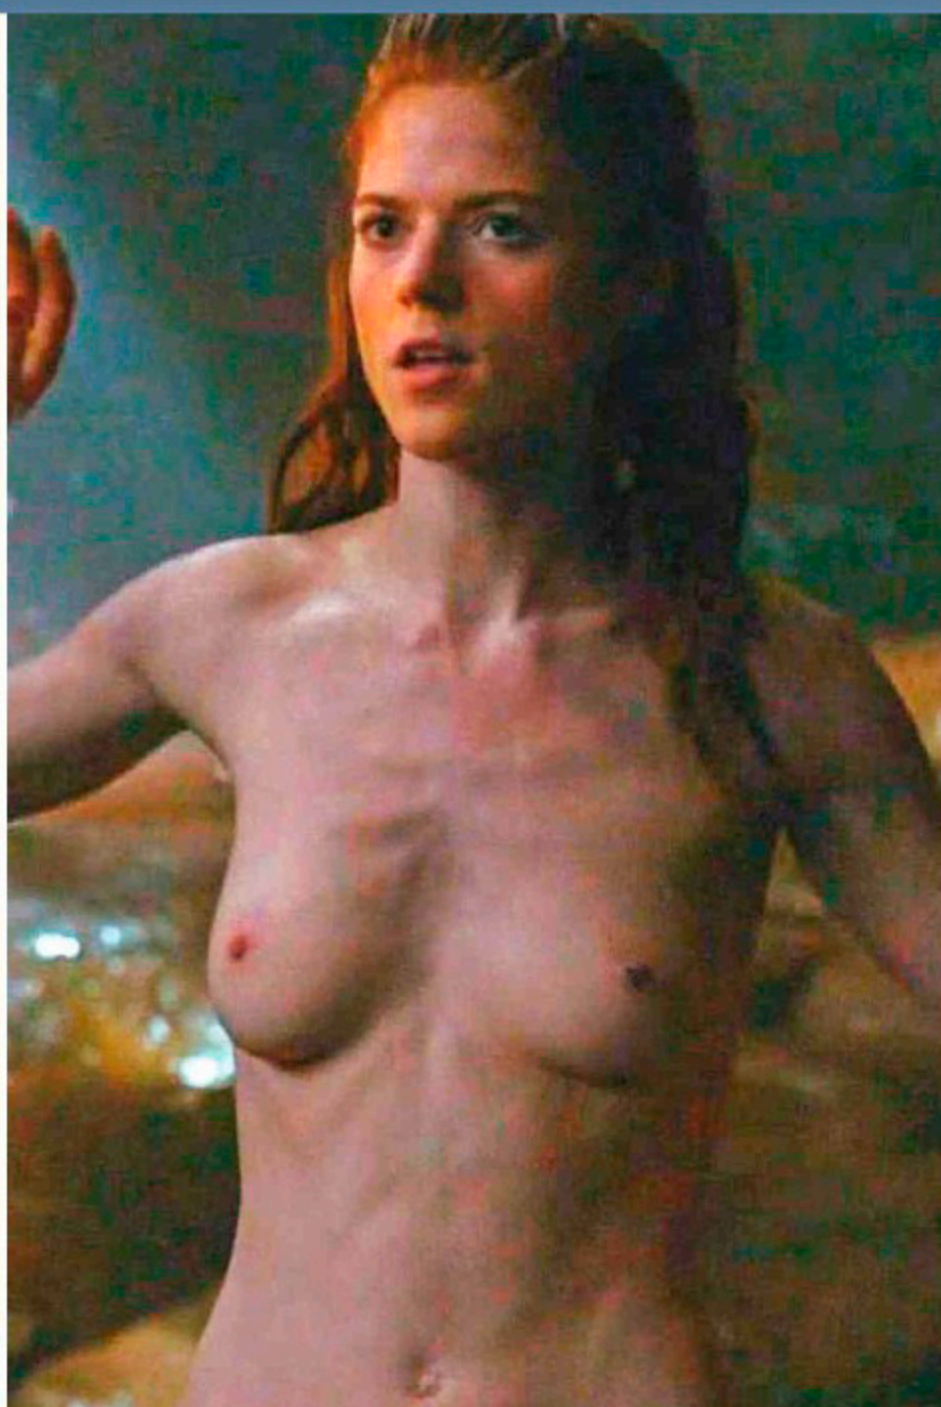

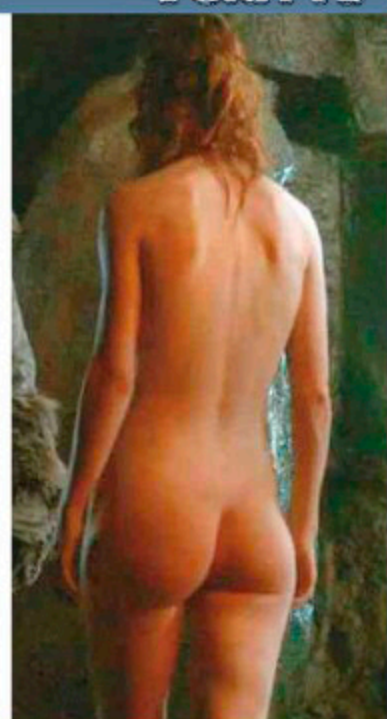

A prostitute who begins an exclusive relationship with Tyrion Lannister (Peter Dinklage) in Season One, Shae's genuine feelings for little Lord Lannister are played out as war descends on Westeros. By the beginning of Season Four, it looks like destiny is working against Shae and Tyrion's future together, but anything could happen....

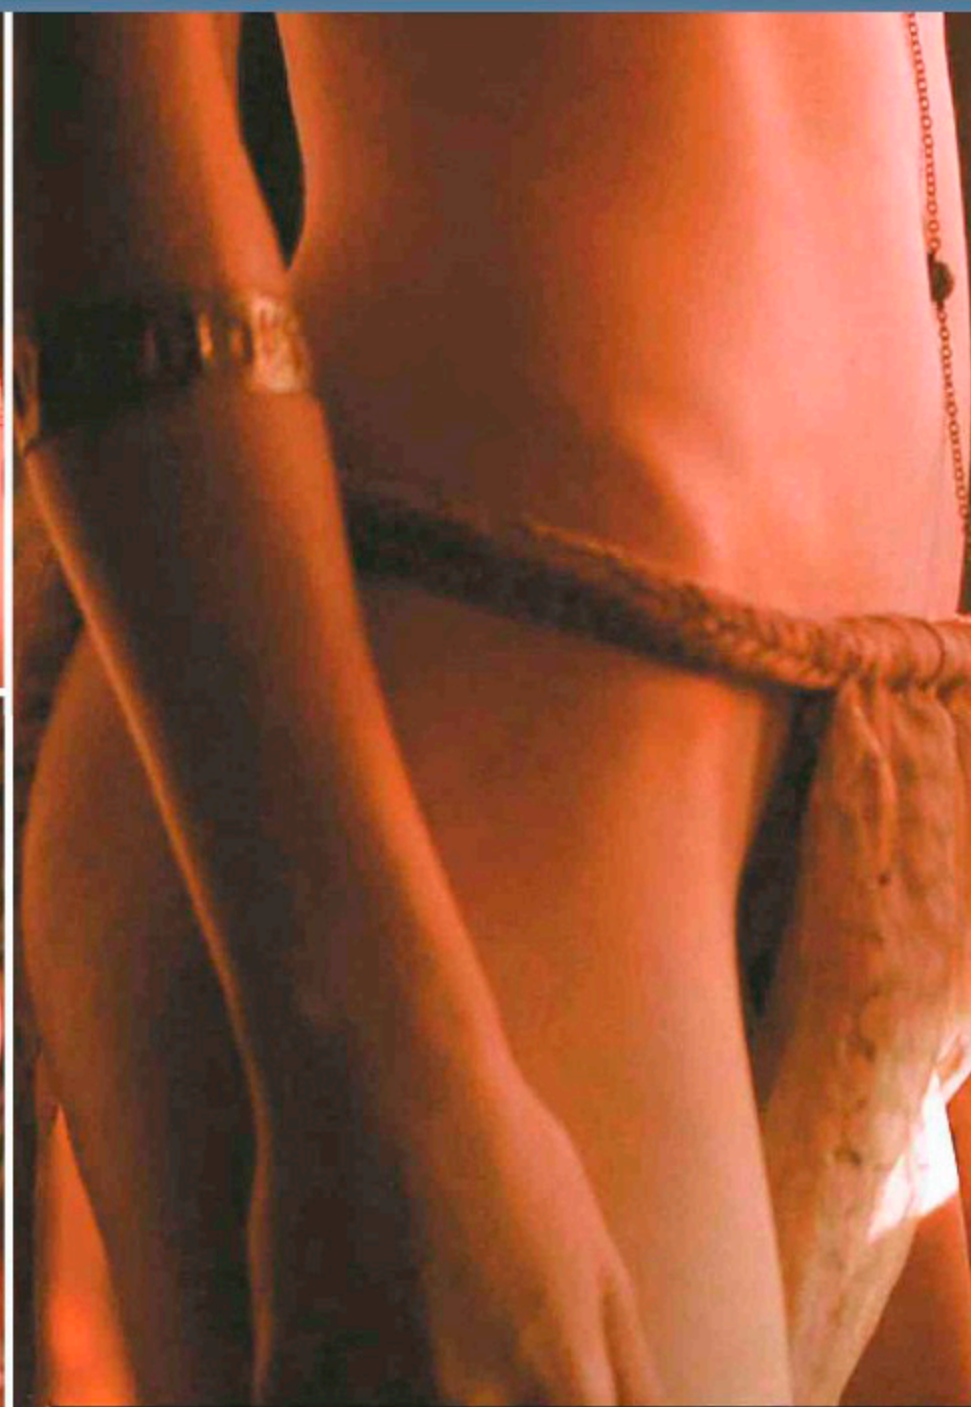

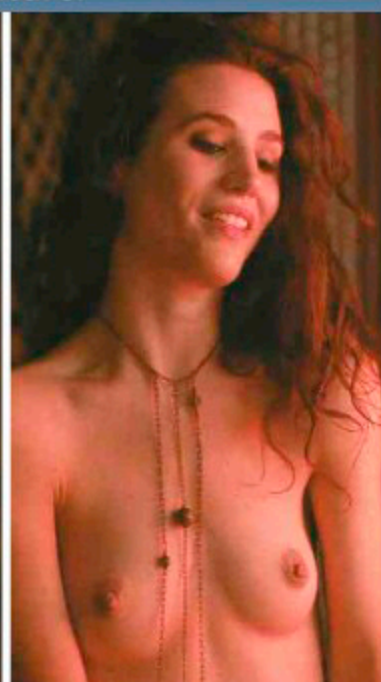

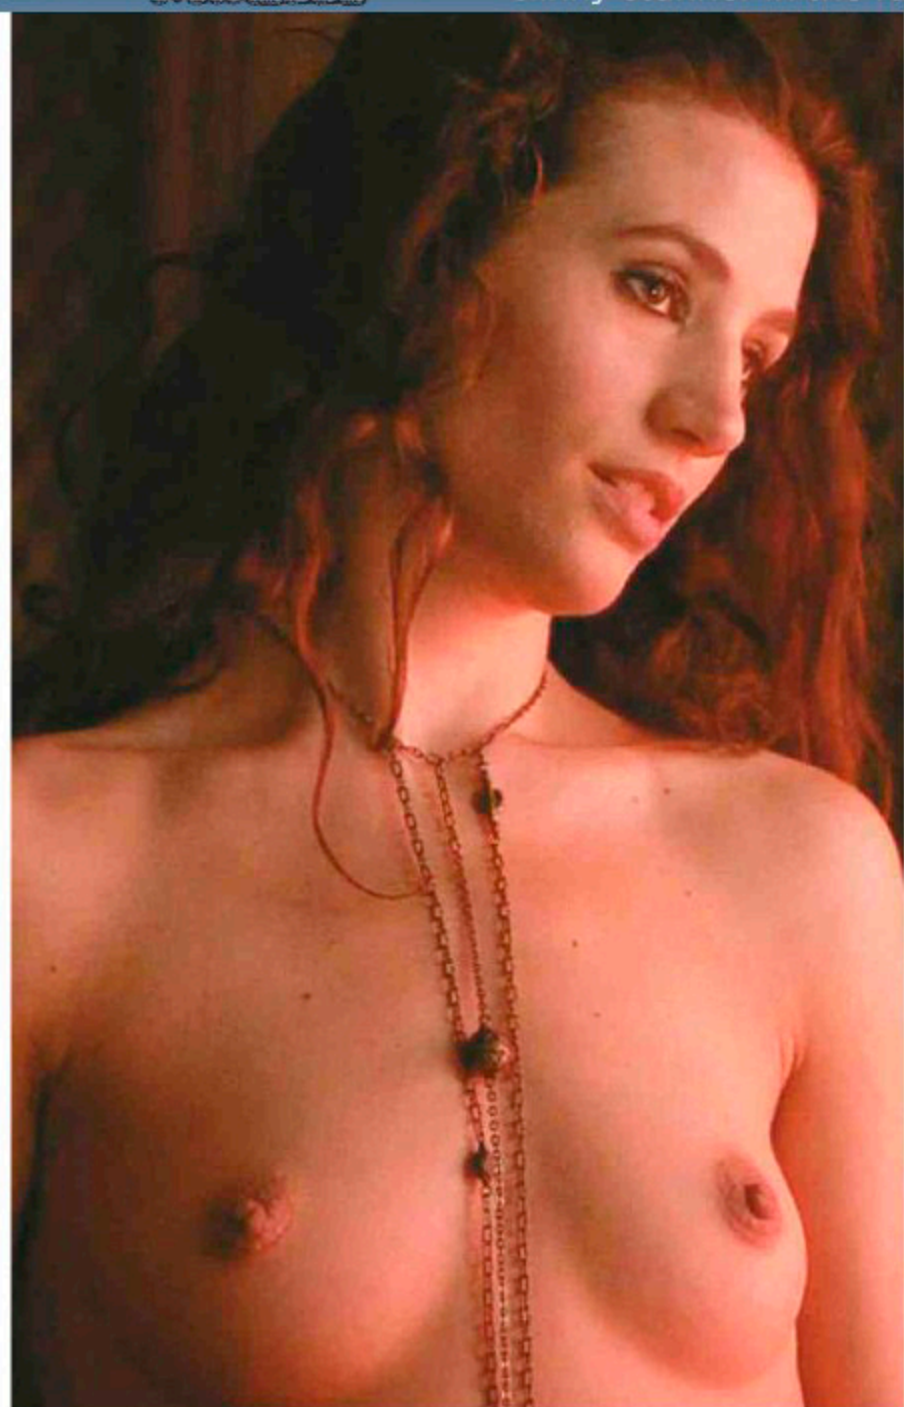

## ROSE LESLIE YGRITTE

A savagely sexy and wild woman who lives in the frozen Northern lands of Westeros, Ygritte means business when it comes to keeping her man. "Don't ever betray me," she snarls to her Season Three lover. "Because I'll cut your pretty cock right off and wear it around my neck." Enough said!

## ELISA LASOWSKI MIRELLE

Our fourth and final King's Landing prostitute, Mirelle makes her *Game* debut in a Season Three installment when she is seen servicing a client (not surprisingly.) It's a brief, window-dressing appearance, but one that certainly made an impression on us, and we're hoping to see more of this sleeky stunner in the future.

TATTOO CULTURE TAKES OVER PORN

Article by Rob Perez

34094

Karmen Karma

**F**ifteen years ago, girls with tattoos barely registered on the porn radar. Besides Belladonna's tear-dropped shaped boob tat and Janine's sleeves, tattoos were rarely seen on the era's top porn chicks. But the mid-2000s saw the "alt porn" revolution, with Joanna Angel's Burning Angel and the website Suicide Girls leading the way. The movement became so big that even porn powerhouse Vivid started its own imprint, Vivid Alt, featuring the hottest "alternative" inked girls of the day.

With the genre came some classic alternative-themed films that defined the first decade of this century, and the original alt girls paved the way for girls with ink to be noticed by the porn mainstream. Today, they are the mainstream, welcomed with open arms by the major XXX studios. Evil Angel, Elegant Angel, and even the more traditional Wicked have released tattoo-themed titles within the past year. And make no mistake, these girls are just as popular with mainstream porn audiences as they are with the tattoo fetish crowd.

To find proof that inked girls have made an impact, you only need to consider Joanna Angel, Angelina Valentine, and Skin Diamond, who have reached the heights of porn stardom. Whether ink had anything to do with it or not, these girls are naturals in front of the camera with as much sex appeal as their fellow non-inked performers. Karmen Karma was crowned Best New Performer at the Fanny Awards during EXXXotica Atlantic City. Christie Mack and her wild hairstyles and fun, up-for-anything personality has been a fan favorite since she first came into the industry. Dana Vespoli is currently one of the most respected performer/directors in the business. But it's the heavily-tattooed Bonnie Rotten, 2013 AVN Starlet of the Year nominee and winner of 2014 AVN Performer of the Year, who is perhaps the hottest and most acclaimed performer working today.

and Jules Jordan Video

Thirty-year adult industry journalist Bill the Hobbyist, who recently helped launch [InkedAngels.net](#), has helped make the site the go-to place for the latest updates on inked girls in porn. He remembers when girls with ink were virtually non-existent in porn films.

"Years ago, you pretty much saw ink on biker chicks, many of whom were rough looking and carried no personal beauty with the ink they had. Today I feel ink appeals to so many in porn because there are young ladies with great looks, bodies and personalities getting ink. Plus designs are creative and done better than in the past. This has been an exciting move for both inked girls and people who love ink," Bill continues. "I think the studios have found that many of the inked girls are very power-

ful performers and not just girls with ink. Being an ink lover for sure, I personally would have loved to have seen this growth sooner. But the industry moved at a pace they were comfortable with. As a studio looks at casting, there are more inked girls to choose from who fit right for them in their scenes."

With so many girls arriving in the industry, [InkedAngels.com](#) recently held the Inked Awards, recognizing 16 areas in inked porn and music, surely a sign that ink is here to stay."

"Joanna Angel was the first and is still the best—she pulls it off and is the complete package," says Erika Icon, owner of the successful The Rub PR. "I have clients with tats who work all the time and aren't referred to as alt—Helly Hellfire, Nikita Von

James and Angelina Valentine. They're also working a lot because they do great scenes and they're hot."

Known throughout the industry for her ink as well as her PR savvy, Erika's own reasons for getting ink are not that much different than the girls she represents.

"My tats were done at different points in my life and are sort of like a road map of the path I'm on," she says. "Like I have a Jewish tat since I grew up Jewish and now I have a Buddhist tat in Chinese that says what I chant every day—'nam myoho renge kyo.' People can learn more about me from my ink for sure."

To get the take of the women who actually are on the front lines of this new inked revolution, *HIGH SOCIETY* spoke with Bonnie Rotten, Angelina Valentine and Karmen Karma.

**HIGH SOCIETY:** *How many tattoos do you have approximately? Do you have one that is a particular favorite?*

**Karmen Karma:** I've lost count of the number of tattoos I have a while ago! I have my entire right arm, left forearm, left side of my torso, right hip, kiss on my booty, behind my ears, top of each shoulder, ankle, two bows on my hips, 14 small tattoos on my hands, upper back, and on my lip. My favorite piece would have to be the one on the upper part of my sleeve; it was the first big piece I ever got!

**Bonnie Rotten:** I have around 30 tattoos. I believe my favorite is still my first but it always changes. My first tattoo is a zombie from the cover of "Night of the Living Dead: The Beginning" issue #1. As a die-hard horror fan, I feel it was only appropriate.

**Angelina Valentine:** I have seven, total. I'm like all covered up. I would say the tattoo on my ribs is my favorite. That was most brutal and the tattoo that I have that pretty much portrays how I feel as a woman. It's a sexy fucking zombie in lingerie and she's eating a plate of brains holding a silver platter, blood all over her mouth and she's licking her fingertips. To me that symbolizes woman power and in the background it's going to have a guy, beheaded. It symbolizes, "I'm gonna eat your face off." That's how I am. I'm a very strong and independent woman. It works well for me. [Laughs]

*Do you find tattoos sexy? Do you feel sexier with tattoos?*

**Karmen Karma:** Of course I find tattoos sexy. Tattoos are my number-one turn-on in a girl or guy. I love having tattoos because I can express myself, be unique and set myself apart from other people. So in a way you could say that I feel sexier.

**Bonnie Rotten:** I do. Tattoos from the age of 15 were my way of overcoming oppression and being an individual. Close-minded people surrounded me in Ohio. It was my way to be me without having to cause trouble. [Laughs]

**Angelina Valentine:** Of course I find tattoos sexy. I think tattoos are sexy especially on me. [Laughs] I came into the business when the business wasn't big on tattoos. It wasn't accepted really. Everyone was getting their tattoos removed. I got more and more. Eventually it became an epidemic. Everyone was getting tattoos and it was being accepted. Next thing I know I see tattoos everywhere. So I feel like I brought the flavor to the industry. So there's nothing sexier to me than tattoos. I love a gangbanger, a hardcore tough guy with tats on his face. Oh god, it kills me. I'm a sucker for tattoos, teardrops and all.

**Angelina Valentine  
& Tory Lane**

*What is the significance of your tattoos with respect to your life? What do you feel your tattoos say about you?*

**Karmen Karma:** All my tattoos have significance and meaning to them, whether it was something I experienced or believed in. It's great to be able to have things that are important to me and my life story being turned into artwork on my body. At first most people label me as mean or different because I have tattoos but those who take the time to look or read my tattoos can instantly see what type of person I am, which is usually the opposite of what they expect. The majority of my tattoos are Bible verses, inspirational quotes, artwork that has a positive meaning.

**Bonnie Rotten:** I feel that my tattoos tell a story, almost like a pathway through a garden or something. [Laughs] They each tell a different chapter and interest in my life.

**Angelina Valentine:** Every tattoo has a story. It's not like you walk into the tattoo shop and you tell the guy, "Yo, I want #32." Each and every one of my tattoos portrays who I am and it tells my story. I made it a point not to have a tattoo somebody else has. That is the grossest thing to me to have a tattoo that everyone has. It makes no sense to me. I can't stand the scars and the bullshit. It's ridiculous. So all my tattoos I drew myself.

*How do others react?*

**Karmen Karma:** I get different reactions from different people, but pretty much it goes one of two ways. Either I get mean dirty looks from people who are clearly judging me or I'll get compliments and people saying they love them. The main things I hear is, "Where did you get your work done?" or "Nice sleeve."

**Bonnie Rotten:** Depends. [Laughs] Most people are intrigued and ask me questions which is pretty neat to me. I think its cool people are inquiring instead of just looking and judging but that also happens often.

**Angelina Valentine:** "Oh my god, did that hurt? No, not as much as it hurts to wipe your ass." [Laughs] I love when people come up to me and I love attention. And I love that it separates me from everybody else. I love the fact that I look more bad-ass than I probably am. My bark is definitely bigger than my bite. I love the attention.

*Did you feel your tattoos would be an advantage or disadvantage for you before entering porn?*

**Karmen Karma:** I knew that my tattoos would be a setback getting into the industry but I was extremely confident that my performance in my scenes would overcome the fact I have tattoos. I love performing and having body art shouldn't be a negative thing in this industry; it has nothing to do with my fucking skills!

## Bonnie Rotten

**Bonnie Rotten:** I thought they would be a major disadvantage and was told by many I wouldn't ever shoot and I would never be a star. I decided to take the challenge

**Angelina Valentine:** Oh my god, I think my tattoos are a big advantage to my career. They make me who I am. I think that my tattoos have brought a lot of my sexuality out and I think that its brought a lot of people to a comfort level where they can get tattoos and I think without my tattoos I wouldn't be in the industry. I have had tattoos for as long as I can remember. Without them I feel like a pussy. I don't think I've ever had sex with anyone in my life—unless I have to do it for work—who didn't have tattoos. It's like a turn off like, "Bro, how do you not have one fucking tattoo?" When you think of Angelina Valentine you think tattoos. When you think of Angelina Valentine you don't think tattoos and roses. You think tattoos and knives.

*How do you feel about the recent influx of tattooed performers becoming mainstream porn stars and not being categorized as "alt performers?"*

**Karmen Karma:** It's a breath of fresh air to finally see girls with tattoos being well known in this industry. Tattoos don't affect personality or sex skills or anything besides your appearance. If a girl has enough balls and is confident enough in herself to go against the norm, I find it very sexy. I am determined to get to the top whether I have tattoos or not.

**Bonnie Rotten:** I think it's great! From the very beginning I hoped it would happen and I could show that there are opportunities in both areas for beautiful girls with tattoos.

**Angelina Valentine:** I feel like they be jacking my style. Absolutely. Fuck yeah, man. I'm one of the whores who came into the business who had the balls to rock tattoos and not get them removed while all these other bitches—I can remember it like it was yesterday—went and got laser treatment. I'm like, "Honey, it's not the tattoo. It's you not getting the work." So I'm the one that kept it real, kept getting tattoos and eventually everybody started doing it. So I think they're knock-off versions of me if you ask me. You can't ever duplicate me; I'm one of a kind. All these girls, yeah they're hot but they can't do it like me. I see a lot of their tattoos and it's the same boring shit. If you're not a bad ass bitch and you can't back up a bad ass tattoo then you shouldn't be rocking it. That's how I feel.

*How do the fans react to your tattoos?*

**Karmen Karma:** They are my fans because they do like the tattoos. A lot of fans love talking about my tattoos and say they are very attracted to them. It's refreshing to know that tattoos are being more accepted nowadays.

**Bonnie Rotten:** Some love it, some hate it. It depends

*Do you like the attention your tattoos bring you and why?*

**Karmen Karma:** When getting tattoos you have to accept it will bring attention, whether it's negative or positive. Thankfully, I've rarely gotten any negative attention but even when I do it doesn't affect me whatsoever. I'm a very confident and strong person and I don't care about anyone's opinions on my body; it's my body and I will do what I please with it! I do get a lot more attention since I got the tattoos and I don't mind it at all. It's always nice to get compliments.

**Bonnie Rotten:** I do like the attention; it shows that I have a lot more going on than just being a pretty girl and I think it shows that I have overcome a lot of adversities. It makes me feel strong in a way.

**Angelina Valentine:** I have a wide variety of fans. I attract the pervs of the world which is fine by me since I myself am a pervert. I attract the weirdest, the nastiest, the grossest and the bad ass motherfuckers of the world which is fine with me. It's a wide variety of different folks. I definitely have the rockers on my side. The partiers, the rockers, the bad bitches, bad dudes, the gangbangers, they all flock to me.

# SPENCER SCOTT HEAVEN SCENT

34064

In addition to being served a double helping of sexy, buxom bombshell **Spencer Scott** was also graced with an extraordinary sense of smell. "I can catch the faintest whiff of semen from a mile away," says Spencer, twitching her adorable little nose just like Samantha in bewitched while sliding off her lacy bra and panties. "Which means I can tell who has just jerked off." She stands up to trail her fingers across the ample swell of her breasts down to her tidily shaved snatch, arching her back with delight. "It turns me on to know a man has just had himself. Since he recently shot a wad that means he'll last longer in the sack. That's how I sniff out most of my lovers. She drops down on all fours and tosses her golden curls over one shoulder, wiggling her sweet ass. "Stamina is very important to me. I like to bang for hours." She rolls onto her back, kneading her slit as she shivers out an orgasm. She waves her fingertips in front of her face and inhales deeply. "That's exactly what happiness smells like."

## ALL ANAL ALL THE TIME!!!

Omar lives across the courtyard from Kyra Black and her boyfriend Davis. He spent many nights stroking himself into a sticky stupor watching the two of them bone, since Kyra leaves her windows wide open with a gauzy curtain as the only barrier between her sluttishness and the outside world. "More, Davis," Kyra's gasp would waft into the room where Omar was wanking. "I want my butthole stretched at the same time as my pussy!" Omar thought it was a crime for Kyra not to be laid in the manner she desired so he paid the couple a neighborly visit. "Thank God Omar came knocking," says Kyra, twisting around to admire the post DP bloom on her rosebud and the vastness of her vage gape. "Poor Davis couldn't keep my hungry holes full of man meat all by his lonesome. I need one in front PLUS one in back. I'm not much on rear entry ethics." She sits on the couch, perfectly framed by the window, and grabs both studs by their pricks to pull them in close. She nuzzles one, then the other, gazing deep into the eyes of each man in turn. "Now put your backs into it this time, K?"

# SUMMER BRIELLE

THE HIGH SOCIETY INTERVIEW

Q&A by Rob Perez

**P**ORN VALLEY, CA—WHEN GIRL/GIRL PERFORMERS GO STRAIGHT THEY AUTOMATICALLY BECOME FRESH MEAT FOR ALL THE PORN COCKSMEN WHO HAVE BEEN WAITING PATIENTLY TO SAMPLE THAT SWEET PUSSY. BUT WHEN SUMMER BRIELLE DECIDED TO DO GUYS, SHE NOT ONLY AUTOMATICALLY SHOT TO NUMBER ONE ON EVERY MALE PERFORMER'S DO LIST BUT, UPON SHOWING WHAT SHE CAN DO WITH A COCK, LANDED ON THE PORN GIRL A-LIST. RIDING THE ROD, SUCKING BALLS, HAVING HER FACE SPLATTERED WITH JIZZ, SUMMER DOES IT ALL LIKE A LONG-TIME PRO. SHE EVEN DID HER FIRST EVER SIGNING AT THE ADULT ENTERTAINMENT EXPO EARLIER THIS YEAR AT JULES JORDAN VIDEO'S BOOTH, WHICH IS ALWAYS AMONG THE LARGEST AND MOST VISITED AT THE EXPO. SUMMER HAS PAID HER DUES HER WAY, AND THAT MEANS DOING WHAT SHE FEELS COMFORTABLE WITH AND NOT JUST FOR THE SAKE OF IT. FOR THOSE OF YOU WHO WERE FANS OF HER GIRL/GIRL WORK, WORRY NOT...SUMMER STILL LOVES THE BUSH AND HAS NOT DECREASED HER LESBO OUTPUT. SHE'S JUST ADDED DICK TO THE MIX. WHAT'S NOT TO LOVE ABOUT THAT?

**HIGH SOCIETY:** *What were you doing before you started doing porn?*

**Summer Brielle:** I danced, cammed and I owned a dance company. Before that mostly what I did was babysit, nanny and I was a camp counselor. [Laughs] It was really normal vanilla stuff.

*You went from being a girl/girl performer for a number of years to doing guys a year ago. Why did you decide the time was right to start performing with men?*

It was something I thought about when I started doing porn. I definitely took a long time to think about it until I felt completely sure that when I went ahead and did it I

was going to be happy and not regret it. The moment finally came when I thought, "I don't have any more reasons. I'm just talking myself out of it for no good reason. I really want to. So I'm just going to take this chance and do it, and if I'm miserable I'll never do it again." I tried it and I definitely wasn't miserable." [Laughs]

*Do you remember the moment you finally decided you were going to do porn?*

Honestly for me it was gradual and I had a nice, easy intro. Holly Randall found me online web-camming. I did my first photo shoot with her and she was amazing. She's a woman so I was super comfortable. That was a year before I did my first girl/girl scene and again it was with Holly and with Nikki Benz who's a legend. When you're offered to do a girl/girl scene with Nikki Benz you don't say no to something like that. [Laughs]

*What's the best and worst thing about being a porn star?*

The best feeling is knowing that you're one of the very few people out there who have committed to doing what they want and having a kind of an extraordinary life in some way in certain ways and very different, and you're not paying attention to what society expects of you. And the flip side of that ties right in. The worse feeling is the constant influx of small-mindedness that still exists thinking people are so one-dimensional. If you do porn you're automatically stupid, you're automatically bad, you're not safe to be around the general public. I don't know if that will ever change, maybe very slowly. That's the worse part but for me it's worth it.

*How did you come up with your stage name?*

I was called "Sunny" growing up by my family. I wanted Sunny but I love Sunny Leone and I didn't want to have her name. So I thought Summer was a close second. And there was a beauti-

ful girl that I knew growing up named Brielle, so that's how I came up with the last name.

*Where would you rate yourself on a scale of 1 to 10?*

That's a terrible question, why do you ask that? [Laughs] I would say I'm an 8. Obviously I would like to improve on a few things. [Laughs]

*Would you consider yourself a dominant or submissive person sexually speaking?*

I think I'm a switch. I'm definitely submissive with men and 99% of the time with girls. But I recently did a dom scene with a man which was very different for me and I was very nervous. I didn't think I'd be good at it or like it because I like to be submissive with men and I loved it. I think it de-

pends on that person's energy because they were being submissive with me and that brought out that dominant side of me.

*Now that you are working with male talent what kind of guys do you like working with, the more alpha male types?*

I'm not going to name any names but I don't think my favorite male performers are the biggest, the strongest with the biggest dicks. Usually my favorites are the ones where we have scenes and I don't even for one second remember there's a camera in the room and they don't act like they do either. You're just having amazing passionate crazy sex. That's not something that comes with a physical package. It's their aura or your connection with that person. So no, it's not the huge manly guys that are always my favorite.

*Now that you've crossed that threshold into performing with men do you feel the next step will be doing anal...gangbangs...?* The next step, I get asked all the time...will it be DPs, interracial? I can't talk specifics right now but something will be shot very soon that will be different than anything I've performed in before and it will satisfy a lot of those questions that people have been asking. [Laughs] I do like anal sex in real life if that helps. And I like boys and girls of all colors.

*Do you masturbate often?*

If I'm not shooting or having sex with someone off camera then no. If I'm satisfied by a real person then I definitely prefer that to masturbating.

**I've never had a threesome with two guys. I have with two girls at the same time.**

*When you do masturbate what do you like to think about?*

I usually think about things I've never ever done like gangbangs. I think about stuff like that. Anything that's degrading like what Kink.com does...public disgrace. That turns me on. I've never done it in my real life, I've never shot it. I like to think about dirty filthy things like that.

*Being that you have a job where you have to be naked do you enjoy being naked?*

Yeah. I don't feel the normal way most people feel about being naked. I was raised in a very open-minded household. Being naked wasn't treated any different than being clothed unless of course someone from the opposite sex or outside the family was there. Sex and the body were never shameful to me growing up. It's not like I feel liberated being naked. Whenever I have my clothes off it feels natural.

*Have you ever had one-night stands?*

I have had one-night stands definitely. I tend to be more focused on one person at a time because I like to get really intense and sexual with that one person. But yeah I have had one night stands with girls and guys.

*Have you ever had threesomes, group sex in your personal life?*

I've had a couple of threesomes with a girl and a guy; I've never had a threesome with two guys. I have with two girls at the same time. I've been with a lot of girls. I was with girls a long time before I even kissed boys.

*What's one sex toy you can't live without?*

I prefer pussies, dicks, fingers or mouths over sex toys. I don't even allow myself to have a Hitachi because I don't want to prefer that over a real person. [Laughs] I guess my favorite sex accessory isn't even

a toy. It would be coconut oil because you can lube up any hole with it. [Laughs]

*What's one superpower you wish you could have?*

I'd like to be able to not travel. I'd like to wink my eye like *I Dream of Jeannie* and be wherever I want to be. I hate traveling but I like being in new places.

*What was one of the hottest girl/girl scenes you ever shot?*

I know there was a scene that I did for *Wicked* with Danni Daniels. She was like a revelation in girl/girl. I was like, "Great, someone who really likes girls." That one

try it. Or maybe she's just not into that particular kind of girl she's shooting with. I know personally, I'm a lot pickier with girls than I am, sexually, with guys. So that could be an issue too. It doesn't mean they don't like girls. But lately I haven't run into that as much for the past couple of years. Maybe they're being weeded out; maybe the girls coming in are bi because it makes for a lot more passionate, real scene.

*What kind of girls turns you on personally?*

I do have more of a type with girls than with guys. I'm think I'm attracted to a certain type of girl that looks like the first girl I ever hooked up with. So it's usually

Lord directed it. I play Kim Basinger's character and James Deen plays my opposite. That's one of the proudest things I've ever done. It's got really great sex scenes. Not just us there's lots of other people in different sex scenes that are crazy and kinky and sordid. It's going to be amazing. You should definitely be on the lookout for that.

*Which porn girls are on your bucket list?*

I haven't worked with Sunny Leone and she probably isn't shooting adult anymore. Jesse Jane seems to have incredible sexual intensity. That would be really fun. Those are two I drool over all the time.

*What do you like to say to the readers of HIGH SOCIETY?*

Thank you for sticking with me. I've been shooting a long time and it's taken a long time to take these steps. A lot of you have been here since the beginning since my solo and girl/girl days. I notice every single tweet, every single comment and you guys are like friends to me. I appreciate you taking time out of your daily lives to enjoy what I do. So thank you very much.

**To stay in touch with Summer Brielle, follow her on Twitter @summerbrielle**

## I prefer pussies, dicks, fingers or mouths over sex toys.

stands out to me. That was one of my favorites for that reason.

*Do you find that happens a lot, a lot of girls in porn are gay for pay?*

I don't know about a lot. I do know it happens because of the way the industry works. Maybe it sounds fun. The girl doesn't know if she likes girls; maybe she needs to

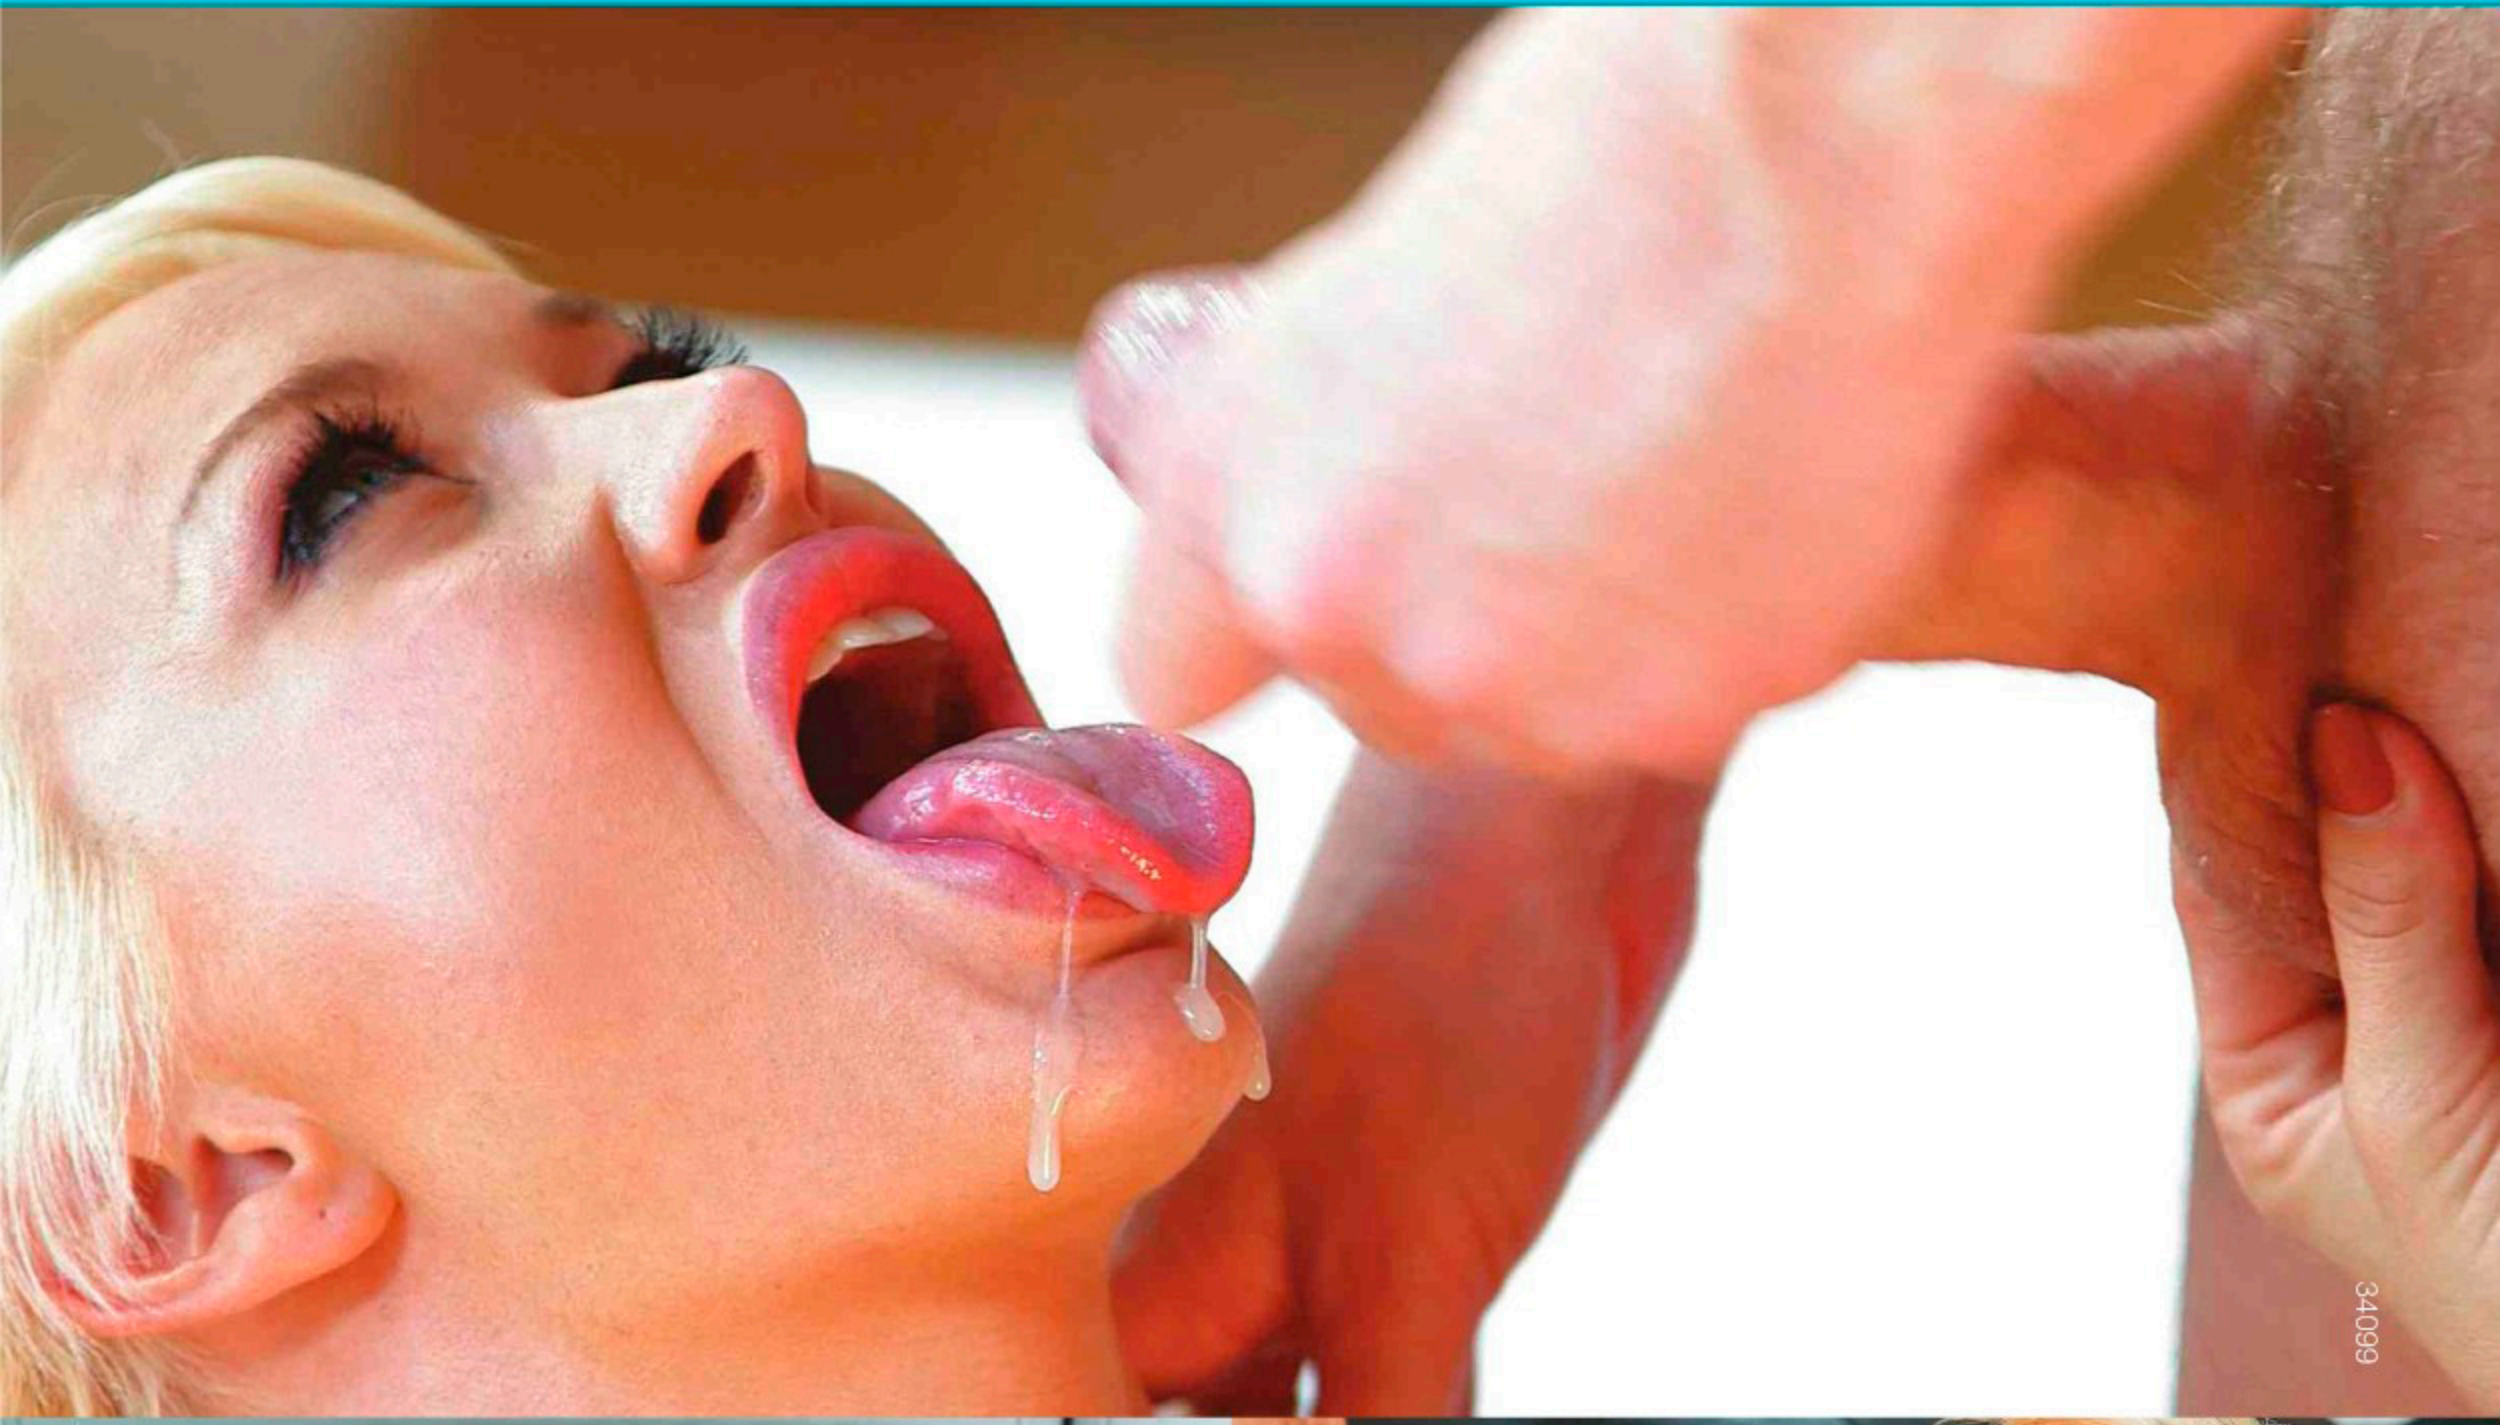

brunettes that are my type of girl. Usually they're thicker, curvier, have an ass, and have boobs. I don't like skinny. I like a pretty face. Those are my turn-ons in girls.

*Any upcoming films or projects we should be made aware of?*

We just finished shooting the feature parody of *9 1/2 Weeks* for Adam & Eve. David

# ASA AKIRA AND NATASHA NICE DO PUBA

Photos and Article by Jeff Hubris

Directed by Ivan • The PUBA Pornstar Network ([puba.com](http://puba.com)) • Starlets: Asa Akira, Natasha Nice

**T**he resplendent Ivan, porn director, progenitor to the burgeoning PUBA pornstar network and relentless porno style king has conjured a porn set decor full of psychedelic colors and fuzzy rugs surrounded by an arrangement of lovely ferns. Asa Akira and Natasha Nice will frolic and share some girl love with the aid of some penetrational devices amidst this backdrop in a scene for the benefit of both of their PUBA websites.

During a casual session of vaginal and anal probes, an array of black rubber and glass toys are evaluated and tested for look and feel by both girls. The favorites are settled on, as well as a few striking outfits for each ever-changing porn mood. "I've always gone through fantasies pretty quickly I think," Asa Akira says. "It's always changing. I'll be into one thing for like a month and the next month it's something else. I'm really into anal right now. I've been like kind of obsessed with it and have started doing it a lot in my personal life too. When I watch porn now a lot of it is like anal porn."

Unlike a customary porn set performance arc, with a beginning, a bangout of some sort and the all important airborne body fluid laden climax, the pattern of events here take the shape of a series of friendly, interactive happenings, much like a fetish pajama party between two friends casually experimenting with each other's vaginas and buttholes. Between episodes there is leisure time to ponder some of the mysteries salient to these adventures in the skin trade. Like all of Ivan's directorial undertakings, the atmosphere is relatively stress free.

The subject is sex. "I don't know," Natasha Nice theorizes. "I just think it's a lot cooler or a lot better than most people think it is. A lot of people are like, "Cool, this feels good," and then it's done. I can't really explain why. It's much more than feeling good. It's fun and you can't really just do it with anyone on the street but you can have a conversation with anyone on the street. Fucking someone is just a little bit more that you can do with that person. It doesn't have to be meaningful. You don't have to be in love with them or something. It's just another fun thing that you can do."

Ivan is choreographing this porn star lesbian ballet as it develops, and in a great moment has the gals share a double dildo, butt to butt, following with some reciprocal pussy eating. All the angles and permutations are eventually covered, for today at least. I'm questioning Asa Akira about her orgasmic process. "It's weird, like when I cum vaginally it's like this screaming orgasm," she answers. "But when it's anal it's like I just hold my breath the whole time or something. It's like hitting the same spot in your vagina but like from the other side. It feels fucking awesome. Probably since my 20s I've always been in control of my orgasms. It's not really so much what the guy does, it's kind of like just my mental state. If I just close my eyes and concentrate really hard it's going to happen."

Natasha Nice has turned down the volume on what was once a more party-oriented lifestyle, making porno the means to a scholastic end. "I'm going to school in Marine biology," she says studiously. "I'm really kind of a science geek. In high school I majored in all science classes." Asa Akira speaks of a relatively spartan porn lifestyle as well, being careful to save her porn money and to not gamble with investments or the stock market. After having had an incredible few years of solid work and bounteous recognition, her porn beat has not slowed. Yoga has become a large part of life and she speaks of one day opening her own studio. "I'm just living day to day," she says. "I want to do this until I'm sick of it and I'm not even close."

# MARICA HASE HELLO CLITTY

34085

It may seem like a beautiful woman, such as Japanese stunner **Marica Hase**, should float through life as carefree as an orgasmic sigh upon the breeze, but even the most gorgeous gals have their pet peeves. "I hate it when men assume that I'm submissive in bed just because I'm Asian," she says, spreading wide her silky, stocking-covered legs to stroke the fuzz above her puss. "Actually, I take charge of my orgasms. I make my partner make me cum." She cups one perfect breast and absently pinches her hardened nipple as she cocks her head to the side. "Or at least I try to. I happen to have a very dainty clitoris. It's amazing how many guys miss it. Then I straddle their face and point it out like, 'Hello? Here it is. RIGHT HERE.'" She parts the plump outer lips of her magical moisture oyster to reveal the blushing pink nub of her pleasure pearl. "But as delicious as it feels to be eaten out, I need to be stuffed full of man meat in order to get off really good. If after I make love I don't feel satisfied, well then I have no choice but to finish the job myself," she says, as she grabs two dildos and gets to work.
